Introducing the **MotorScrubber Jet** model with brand new spray function, giving you a total clean up to 3 metres high

1. Adjustable jet at the scrubbing head allows the direct application of solution to surface
2. The specially designed flip clip lets the user make super fast adjustments to the telescopic pole, reaching to over 3 metres
3. New sturdy aluminium handle with soft rubber provides extra control
4. IP67 rated waterproof switches
5. Solid Stainless steel LEMO electrical connection for Ultra reliability, "military grade"
6. The 1L tank is securely and neatly contained within the backpack. It can be easily removed and replaced for quick refilling
7. Commercial grade high pressure pump delivers cleaning solution through the coiled water pipe, hidden inside the telescopic handle, to be sprayed at the scrubbing head
8. Super comfortable backpack with padded shoulder and waist support.

Precision engineered in the UK from the highest quality components, our goal was to build an indestructible cleaning tool.

**CORDLESS**

Super portable, you can clean walls and floors with a variety of coverings, it's ideal for all hard to reach areas.

**4 HOURS RUNTIME**

A real workhorse with an impressive 4 hours runtime from one charge. Taking only 8 hours to fully re-charge.

**LIGHTWEIGHT**

Weighing only 2.5kg (6kg with the harness) it is extremely lightweight to use yet heavy duty in its construction.

**100% WATERPROOF\***

The MotorScrubber is 100% waterproof and submersible in water with no shock risk due to its extra low safe voltage.

\* Guidelines Apply

**EFFECTIVE CLEANING**

The reliable high torque motor allows for fantastic washing, polishing and cleaning results up to 3 metres high.

**UK MANUFACTURED**

Using the highest quality, durable components every MotorScrubber is proudly manufactured in the UK.
